AGENDA

Meeting 1 - Kick-off

1. **Introductions**
Quick introductions of the consultant team, City staff and the Steering Committee
2. **Overview of Scope of Services and timeline**
The Consultant will present the Scope of Services and proposed project timeline.
3. **Public Engagement**
Overview of public engagement approach and activities.
4. **What we learned from the Site Tour**
 - a. Consultant
 - b. Steering Committee
5. **Facilitated Discussion on a vision for North Prescott**
How do you envision North Prescott?
MURAL LINK
 - Describe your qualitative vision for the Area?
 - Is it a "new community" with design that looks different from other developments in the City?
 - What kinds of employment is envisions in this area?
 - Is it a regional employment center?
 - Does it have regional shopping and/or services (e.g., hospitals, auto dealerships)
 - What services/activities do you envision the North Area providing to the portions of Prescott south of 89A?
 - How are its natural resources treated and linked to those in Prescott south of the 89A?
6. **Best Practices Locations (Ideas from Steering Committee)**
Locations that the Committee thinks could provide examples of how this area could develop or approaches to development that could provide good examples for this area.
7. **Future meeting dates**
8. **Adjourn**
